Subject: Emergency IRP Permit Waiver

To Whom It May Concern:

Under the provisions granted in NRS 706.561 the Department is granting a waiver of trip and fuel permits and fees for those vehicles assisting firefighters, providing utility restoration and/or involved with the cleanup efforts resulting from multiple fires burning throughout Nevada. A copy of this letter must be retained in each vehicle operating under this waiver.

This waiver is limited to the fees associated with temporary registration and fuel taxes in the State of Nevada only. This waiver does not imply or grant an exception to any Federal laws administered by the Federal Motor Carrier Safety Administration or U.S Department of Transportation.

This waiver is good until 5:00 pm on August 20, 2017, or upon completion of the cleanup efforts, whichever comes first.

Sincerely,

A handwritten signature in blue ink that reads "Terri Albertson". The signature is fluid and cursive, with the first name "Terri" being more prominent than the last name "Albertson".
