Dear Motor Carrier,

Due to the passage of Assembly Bill 5 (AB5) in the 2007 Nevada State Legislative Session, effective January 1, 2009, carriers with 100% Nevada only fleets will now have staggered periods of registration.

Your Nevada only fleet(s) has been assigned to the October 1st through September 30th registration cycle.

What this will mean to you:

- ◆ Using the enclosed documents your current period of registration will be for 9 months, beginning in January and ending in September.
- ◆ You may remit one payment to the Department due January 1, 2009, or you may make 3 separate installment payments. If you decide to pay in installments, each installment payments will be due January 1, 2009, April 1, 2009 and July 1, 2009.
- ◆ In July 2009, you will receive a renewal packet for your new period of registration. Your new 12 month period of registration, will begin October 1, 2009 and end September 30, 2010.
- ◆ To avoid penalties and administrative fines your renewal paperwork must be postmarked by September 1, 2009.
- ◆ If you were previously on installment payments, your account will remain on four (4) quarterly installment payments due October 1, 2009, January 1, 2010, April 1, 2010 and July 1, 2010.
- ◆ If you were previously on full pay, your account will remain on full pay and your payment is due October 1, 2009.
- ◆ If you have a fleet operating under the provisions of the International Registration Plan (IRP), your renewal cycle will remain **January 1st through December 31st**. No changes are being made to the existing 12 month IRP registration cycle.

If you have any questions, please contact us using the phone number or address above.

Sincerely,

Motor Carrier Licensing Team,
