MEMORANDUM

TO: IFTA Membership

FROM: Lonette L. Turner
Executive Director

DATE: November 1, 2007

RE: IFTA Credential Grace Period

As a service to our membership, this Memorandum is being issued in an effort to clarify the above-referenced. The IFTA Articles of Agreement, Section R655 provides:

R655 GRACE PERIOD

- .100** Carriers from new member jurisdictions shall be allowed a two-month grace period from the date of the new member's IFTA program implementation to display the IFTA license and decals. However, carriers must maintain the proper credentials for traveling in member jurisdictions until they display the valid IFTA license and decals.
- .200** Carriers renewing their IFTA license and decals have a two-month grace period (January and February) to display the renewal IFTA license and decals. To operate in IFTA jurisdictions during this grace period, carriers must display either valid current or prior year IFTA license and decals from the jurisdiction in which they were operating or a valid single-trip permit from the IFTA jurisdiction in which they are operating.

Because there are no new member jurisdictions implementing the IFTA in 2008, R655.200 above is the applicable language for the grace period in 2008.

- Carriers must display one of the following to travel through IFTA member jurisdictions for the first two months of 2008:
 1. A valid 2008 IFTA license and two IFTA decals issued by an IFTA member jurisdiction;
 2. A valid 2007 IFTA license and two IFTA decals from a jurisdiction that was an IFTA member during 2007; or
 3. A valid trip permit issued by the IFTA member jurisdiction through which they are operating.
