Insurance Company Withdrawal Application
NAC 485.180

If an insurer discontinues the practice of issuing and renewing motor vehicle liability policies, non-vehicle policies, or SR 22's within this State, the insurer shall, within 30 days after making such a decision:

- 1. Notify the Department of the intent to withdraw; and
2. Submit to the Department an appropriate termination record of each active policy the insurer has issued in the State of Nevada.

Any policies left active after withdrawing will automatically have the expiration date changed to 30 days after the effective date of withdraw as the termination date.

Important: An insurance company must continue to meet all reporting requirements of Nevada Revised Statutes, Chapter 485.314 until the application is completed, returned to the Department, and an acknowledgement is received from the Department indicating the insurance company is no longer on the authorized list of insurance companies selling motor vehicle policies.

By submitting this form to the Department the insurance company is declaring they will no longer write any liability policies for the State of Nevada.

If an insurance company submits a withdrawal form and decides to reinstate with the Department they must reapply and meet all current requirements at the time of reinstatement.
