ATTENTION GROUP B COMPANIES

THE DEADLINE FOR GROUP B COMPANIES TO MOVE TO GROUP A IS JULY 1, 2011!!!!

IF YOUR COMPANY INTENDS TO CONTINUE WRITING FIRST DOLLAR AUTOMOBILE LIABILITY INSURANCE IN NEVADA, IT IS IMPERATIVE FOR YOUR COMPANY TO IMMEDIATELY CONTACT THE DMV TO BEGIN THE PROCESS!

In January, 2011 the Department of Motor Vehicles (DMV), in conjunction with the Department of Business and Industry, Division of Insurance, sent a letter to all Group B and C companies notifying them that they must migrate to Group A (Web-services).

The Division of Insurance has sent a letter to all Group B companies who have not contacted DMV and submitted an Administration Authorization Form to become a Group A Company reminding them of the July deadline and advising them they must become compliant if they intend to continue doing business in Nevada. The Nevada LIVE Team is here to assist you with this transition, don't delay and risk missing the compliance deadline!

As a reminder, Group C Companies must migrate to Group A by December 1, 2011.
