A Veteran of the Armed Forces of the United States, who, as a result of his/her service, has suffered a 100-percent, service-connected disability and receives compensation from the United States for the disability, may apply for up to two sets of Disabled Veteran license plates for their personal use; the license plates may only be used to register a passenger vehicle or light commercial vehicle. Female veterans may apply for Disabled Female Veteran plates inscribed with the words "Disabled Female Veteran."

Documentation from the Veteran's Administration must be presented with this application to verify the 100% disability rating, or more than one service-connected disability whose combined ratings add up to at least 100%, or a service-connected disability of any rating that constitutes or includes a permanent disability that qualifies a person for a special license plate pursuant to [NRS 482.384](#).

The vehicle bearing Disabled Veteran license plates is exempt from the payment of parking fees, including those collected through parking meters, charged by the State of Nevada, or any political subdivision or other public body within the State. Disabled Veteran license plates do not authorize the parking of a motor vehicle in any privately or municipally owned facility.

An owner or operator of a motor vehicle displaying special plates for a disabled veteran issued pursuant to [NRS 482.377](#) may park in a parking space designated for the handicapped (*NRS 484B.463*) if:

- (a) The parking is done by a disabled veteran with a disability.
- (b) The disabled veteran to whom the vehicle is registered is a passenger in the motor vehicle being parked.

PLEASE NOTE: These parking privileges are unique to Nevada and may not be applicable or honored in other states.

Applicable registration fees Governmental Services Taxes, and Supplemental Governmental Services Taxes (where applicable) are assessed for the issuance or renewal of Disabled Veteran license plates. There is a \$9.00 charge associated to this plate. It is the Plate Production fee of \$3.50 per plate, Prison industry fee of 50 cents per plate, and the Technology fee of \$1.00.

If your vehicle is currently registered, you have the option to maintain your current vehicle registration expiration date, or renew for a full 12-month period. Credit for any unused portion of your current registration will be applied. In applicable counties, if you choose to renew for a full 12-month period, a passing emissions inspection dated within the last 90 days must be submitted.
