DISABLED PERSONS LICENSE PLATES AND/OR PLACARDS APPLICATION

First time applications for Disabled Persons license plates, motorcycle or moped license plates must be made in person. In order to apply for disabled persons license plates or disabled motorcycle stickers your name must appear on the vehicle certificate of registration and provide your current Nevada evidence of insurance. If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full twelve (12) month period. Credit for any unused portion of your current registration is transferable to your disabled license plate registration. In applicable counties, if you are renewing for a full 12-month period, and your previous emissions test was obtained more than 90 days ago, the vehicle must be re-tested prior to registration. You must have a permanent disability to qualify for disabled persons license plates (see description below). If the Physician's portion is not completed in full, this application cannot be processed.

You may select either license plates and one (1) placard, or two (2) placards. If applying for license plates you must go to your local DMV and provide your current Nevada evidence of insurance.
