GOLD STAR LICENSE PLATE APPLICATION
NRS 482

A family member of a person killed in the line of duty while on active duty in the Armed Forces of the United States may apply for up to 2 sets of Gold Star license plates.

A family member means a widow, widower, parent, stepparent, grandparent, child, stepchild, dependent, sibling, half sibling or stepsibling.

A copy of the Report of Casualty, Form DD1300 or equivalent, must be submitted to the Department naming the applicant as a family member.

If the applicant is not listed on form DD1300 as a family member then proof must be submitted to the Department in the form of a birth certificate, adoption papers, etc. If the applicant cannot provide sufficient proof they can request a written decision from the Nevada Office of Veteran Services and present the written decision in lieu of the proof of being a family member.

No fees other than applicable registration fees and Governmental Services Taxes are assessed for the issuance or renewal of a standard Gold Star license plate.

Gold Star license plates are available for non-commercial vehicles or trailers.

Gold Star license plates are not available as personalized license plates.

If your vehicle is currently registered, you have the option of maintaining your current vehicle registration expiration date, or renewing for a full 12-month period. Credit for any unused portion of your current registration will be allowed. In applicable counties, if you are renewing for a full 12-month period, and your previous evidence of compliance with emissions standards was obtained more than 90 days ago, the vehicle must be reinspected prior to registration.

A license plate industry fee of \$1.00 (.50¢ per plate) is charged in addition to all other fees. A \$5.00 fee is charged to replace lost, stolen or mutilated Gold Star license plates. Duplicate fee is \$10.00.

Please Print or Type

License Plate Size: [] Vehicle (2 Large Plates) [] Trailer (1 large plate)

I hereby make application for a Gold Star license plate. I have read and understand the conditions under which the license plate is to be issued.
